

THE CONTEST JUG

Uncorked occasionally for The Northern California Contest Club
P O Box 2025, Castro Valley, California 94546
January 1973 #18

////////////////////////////////////
The next meeting will be held at the QTH of W6HQN. A detailed
map showing his location is attached. See you there - Tuesday,
16 Jan, at 8:00 PM.
////////////////////////////////////

////////////////////////////////////
A new roster is being prepared for mailing, so no address changes
are being included in this issue.

The Board of Directors recently approved a \$3.00 assessment for all members of record as of 1 Sep 1972. This assessment is now due and payable to the treasurer, Bill Snider, 21972 McClellan Rd, Cupertino, Ca 95014. Those who have paid their assessment are: W6OAT, K4TKM; WB6GFJ, K6CQF, WA6UZA, K6ERT, W6HQN, WA6DKF, WA6QGW, W6ITD, WA6SII, and WA6PMK. Those who owe no assessment, having joined after 1 Sep 1972, are: WA6JVD, WA6CVU, WB6ZUO, and WA6LHN. Those who have yet to pay their assessment are: WB6ABK, K6AHV, K6AUC, W6CUF, W6CXF, K6DC, WA6DIL, K6EBB, W6GFS, WA6GTE, WA6HRS, K7INE, WB6JCB, WB6KIG, XELKS, W6MAV, W6NUT, W6OKK, WB6OOL, W6RGG, WA6TQK, and K6VVA. The following associate members are assessed one-half of the amount in accordance with the By-Laws and therefore owe \$1.50: W6BHY, WA6BVY, WA3GBU/5, and WB6KBI. This is the first written notice of the assessment, and all calls are listed here merely to clarify who owes the club what. The assessment is necessary to replenish the club coffers, continue to pay postage for "The Jug", and support our awards program.

////////////////////////////////////
I had intended to write a full-page editorial for this issue, but I'll
yield to the map of Bill's QTH. Elections are to be held at this
coming meeting and I feel that the fate of our club hangs upon what
we do in 1973.

We now have 38 full members and 4 associate members. Among them are some of the finest contest operators and contest stations anywhere. We must knit this club into a well-coordinated machine in which each part works with all of the other parts in the most efficient manner possible if we are to generate scores which are competitive with the other clubs in the country.

If we aren't able, or don't care to do just that, then we may as well just do our own thing and not saddle the club with attempting to organize our efforts.

Disqualifications for many reasons; license violations, rule violations, dupes, etc., have cost us many points in the past. Late and unsubmitted logs have also hurt the club score. If the N C C C is going to endure under the principles upon which it was founded, then 1 9 7 3 must be the year we get it all together.

73 to all in 1973 - Bob WBRGG
